

## Masters Exhibition Report – 2018

The Masters Indoor Exhibition event was held in Albuquerque, NM with 12 participants competing in the 200m dash. The age range of the participant was 65 – 75. Under the leadership of Joy Upshaw, the event was a huge success, receiving excellent media coverage.

The Masters Outdoor Exhibition event was held at the USATF National Championship meet in Des Moines, IA. Due to delays with the final logistical details and publicizing efforts, we had a slightly small pool of participants. We had a total of 6 participants ranging from 60 to 70 year age groups competing in the 200M dash. Since this was such a fantastic opportunity to showcase our Masters program, the event was very successful. Everyone in attendance even witnessed a new M70 world record performance by Charles Alley!
