

## 2019 South East Region Annual Report

What a great year for the SE Region in Masters Track & Field. The indoor championship was at JDL Fast Track, site of the USATF Masters Indoor National Championship and it was held on January 20, 2019. We had a record attendance with 222 athletes competing. Athletes took home 184 gold, 114 silver and 47 bronze medals for the championship. There were fifty-one SE Region Indoor Records set in the 2019 Indoor Championship.

Bob Rockwell, the SE Region records chair, completed almost two years of combing through SE Region indoor championship results dating back to early 1990's. Through telephone, email and snail mail efforts, Bob contacted past meet directors, searched through past issues of the National Masters News and searched the online archives at [mastershistory.org](http://mastershistory.org).

The SE Region Association Masters Chairs voted unanimously to allow only those athletes who reside in the SE Region to hold SE Region records and Bob also had to verify the athlete's residency, at the time the records were established. Thanks to his herculean efforts, the indoor results are now posted at <http://usatfmasters.org/wp/2018/06/southeast-region/>.

The SE Region in conjunction with the East Region held the first ever Super Regional Championship, June 1-2, 2019 at Howard Community College in Columbia MD. Thanks to the Potomac Valley Association and the PVTC for hosting the event.

The SE region implements inventory continued to expand with the arrival of six indoor shot puts (2k, 3k, 4k, 5k, 6k & 7.26k) We also saw the arrival of a new ultra-weight set in December and plan to host the first ever SE Region throws pentathlon and ultra throws championship in 2020. We acquired javelins, hammers & discus to fill out the inventory of implements for the SE Region.

2020 Indoor Championship January 12 at JDL Fast Track. 2020 Outdoor TBD.
