

USATF Masters Southeast Region Coordinator Report for 2022
Tina Klein, Regional Coordinator

SE Region joined forces to help in cost and budget: We joined forces with Virginia Association Indoor Masters Championship in March to host the meet. Results are in National Masters News. SE Region contributed \$750 to the Virginia Association towards payment for timing.

SE Region Outdoor Masters Championship in conjunction with Midwest region joined forces to host our Outdoor Regional Championships. We contributed \$800 for timing. We will be hosting the 2023 SE Regional Masters Outdoor Regional Championship with the Tennessee Association. Currently working with Shawn Johnson, the Tennessee Association Masters Chair. Facility we're looking at is Belmont Facilities on July 1st. This will be a one-day meet. I will coordinate with the Race Walking Chair to ensure Race Walking is also included.
