Subject: (Masters USATF) Historical Task Force – 2022 Convention Report

Thank you for another track and field season supporting the Masters Historical Task Force and related website: <http://mastershistory.org/>

During 2022 improvements were made to the mastershistory.org website.

As noted last year, during 2021 a Deputy was added (Darren Peters from the SCA association).

During 2021 and 2022 the team added additional information: added links to “other” related Hall of Fame websites, added bio links, increased information on related Wikipedia pages, added links for Podcasts, added links for Videos, added to list of Olympians that have competed in Masters, and updated meet results.

The committee also continues to make our services available to support other USATF efforts.

2022 Expenses:

The total 2022 expenses for the committee at \$ zero

We appreciate the support, and please feel free to contact us with any questions or suggestions.

Regards,

Jeffery Davison Task Force Chair: Masters Historical (Historical Archive Committee).
